Dear Parents and Friends of St Paul’s,

Pick Up After School – With the loss of the verandah area, parents who would usually sit in this area are coming into the school. The children work until 3.20 each day and the extra noise of parents chatting is quite disruptive. If parents arrive early, I would ask that they stay outside in the garden area at the back of the Prep and 1 area or on the grass area. I understand that it is cold but the children’s learning times are of paramount importance. We have an extremely settled school during class time as indicated by the progress of our children and we do not wish to interfere with this environment. On wet days I would ask that all parents gather in the garden area under cover until the bell goes and then we will dismiss the children from the classrooms.

Consecration of The Church – We have had a fabulous response and over fifty children will be present on Sunday July 3rd (and their families too!) We have allocated a special area for the children to sit with staff on the day. All children will need to meet me in the bike shed area by 2.15pm (the Mass starts at 2.30pm – and the Archbishop always starts on time!!) Remember children will need to wear the correct winter uniform (including black shoes) as we want to show the connection between the Parish and the school. After Mass the children can be collected from the church.

Opening of the Multipurpose Area – On Monday July 25th at 11.30am, all interested parents are invited to attend the Official Opening of the Multipurpose Area. The Federal Member for our electorate (Wills), Mr Kelvin Thompson, will do the honours. The Opening will involve the unveiling of a plaque and a blessing to be done by Father Sean. All staff and children will be present and different children will be asked to carry out roles during the Ceremony. Following the Opening, and this will take around twenty minutes, parents are invited to stay around for morning tea. It will be an exciting day. Later in the year the grand opening of the complete Capital Works Program will be occurring – this will take in all aspects of the Master Plan and will be a huge celebration involving Parishioners and past and present students staff and families.

Building Works – Things are starting to move rapidly. When everything is finished come September/October, I may find it a little unsettling without a building project. The new admin building is on target and so next Friday July 1st, a pupil free day, the staff will be moving all equipment out of the existing admin area and setting up the new area. After a couple of hiccups with levels, the machines are busily preparing the back carpark. Once again, can I thank everyone for their patience and understanding during this time.
CASUAL CLOTHES DAY – With next Friday being a pupil free day, we will make our casual dress day on Thursday, June 30th. Children donate a gold coin that will go towards one of our charitable causes.

PARENT/TEACHER INTERVIEWS – A form indicating appointment times was sent home today. If you are yet to make an appointment or have not received your time, please contact the office.

TRIVIA NIGHT – Hope the parents are sharpening up their brains because tomorrow night the staff is all fired up to take the prize!

All The Best Paul
(What can I say – Go Cats!)
