FROM PAUL’S DESK

DEAR PARENTS AND FRIENDS OF ST PAUL’S,

The first day of Spring and what a lovely day after a grey start. It certainly is starting to feel like the warmer weather is on its way. I am sure the Gr 1’s had a fabulous time at the Farm in Diggers Rest. No doubt I will be hearing all about it over the coming days.

MRS TINA – Speaking of the Year 1’s, Mrs Tina will be commencing a well earned Long Service Leave break from the end of next week (Sept 8th) to Week 9 of Term 4 (December 5th). While she is away, Ms Donna, who takes the grade already on Thursday and Fridays, will be teaching the children. This means that there will be no disruption to the children’s learning and our teaching. On your behalf I am sure we all wish Mrs Tina a happy holiday.

FATHERS’ DAY STALL – Our stall and raffle for Father’s Day is on tomorrow. Obviously there are some families where circumstances maybe different. We do not wish for those children to feel left out and so the teachers talk to the kids about other significant male figures they have in their lives (grandfather, uncle, cousin, family friend) who they can buy a small gift for to say thank you for all that he may do for the family. Thank you to all those on the committee for organizing the stall and raffle.

Book Week Parade and Fun Day – Well we told you it would be on and next Friday Sept 9th at 9am is the day and time. The children all received a note with details and we have special guests and performers that will help us celebrate the day. Weather looks promising.

HEADLICE – Once again our tiny enemy is around. If your child receives a note saying that headlice has been reported in the classroom, please check and if discovered, treat as per chemists instructions. Nobody should feel bad if headlice is detected but if not treated, then the problem does not even have a chance to disappear. When the school is informed by a parent/guardian that a child has headlice it is important that we know it has been treated and we can inform other families – this is our best way of tackling the headlice challenge.

INTERSCHOOL SPORTS – Good luck to all our Senior Netball, TBall and AFL teams who play in their first finals tomorrow. Hope it all goes well and the most important thing is to enjoy it – the result is secondary!

How the mighty have fallen last weekend – not feeling to good about the clash with the Pies now! Let’s the Cats put in a good performance – the Pies look strong but there’s still a long way to go!!

Thanks for your ongoing support in this matter.

All the best for the weekend, Paul

Come Along and Have Fun!

We play at Brearley Reserve, Pascoe Vale.

West Coburg Junior Football Club has more than one team at each level to cater for differing skill levels and ongoing player development.

We play in a local league. This year in the Essendon District Football League we have played against Aberfeldie, Doultta Stars, Greenvale, Hillside, Keilor, Pascoe Vale and Strathmore.

We have a very competitive fee structure. Our 2011 fees were $210 per player which compares very favourably with other local teams. All first year players received a bag, hoody and tracksuit pants.

We have teams in Under 10s, 12s, 14s and 16s. This allows children to learn the game, develop skills and make friends by playing at each level for at least two years.

Come along and have fun at our Sausage Sizzle and footy clinic.
Where: Shore Reserve, Pascoe Vale South.
When: 11 September @ 10am
