FROM PAUL’S DESK

DEAR PARENTS AND FRIENDS OF ST PAUL’S,

Reconciliation for the Year Three’s – The Year Three families will be attending a Reconciliation Reflection evening this Monday March 19th. Once again we ask you to keep the children and families in your prayers. The children will receive the Sacrament for the first time on Monday

School Fete – In Autumn 2013 we wish to hold our first school fete in many, many years. Both Mr Maguire and I are very keen to work with a Fete committee. Given the time frame (over a year to plan and get people/businesses involved), we believe that we can make this a really special community event. We will be holding Fete Committee meetings on the last Wednesday of every month – the first being Wednesday March 28th at 7pm in the spare room upstairs. If you are available on this night, could you please return the form inside the newsletter to your eldest child’s teacher. We would love to see as many of you there as possible including our Prep and One mums or dads.

Footy Tips - With such a short term, the footy season has snuck up on us. We have a very short time frame to get this organised. If you wish to enter you must return the form with your $25 entry fee before next Tuesday March 20th. The footy tipping is open to parents, children and teachers. If we don’t have a lot of interest, we will have to give the tipping a miss this year.

Pre Loved Books – Thank you for all the donations. Sr. Cathy was very happy, as will be the children who will use them in the school that she will be working at in Africa over the next three years. It was a real eye opener for the children in the Seniors and Year 3 to listen to and watch a presentation on the conditions that children in her school work in – and how happy they are to have even basic schooling! It is a good lesson for all of us to remember how advantaged our children are in Australia compared with millions of kids around the world. I heard a statistic on the radio the other day that 50,000,000 children in Africa alone have no schools to go to. Makes you think!!

School Athletics Sports – All children received an information bulletin regarding the Athletics Carnival. The permission note must be returned to the classroom teacher before the big day next Friday March 23rd.

All the best, Paul
